SPLASH EXPLORE & MORE!

ages 7-9 **July 14 - 18 | 9am-1pm**

Join the sanctuary and Newtown Community Center as we explore the natural world using the tools and techniques of artists and scientists. With daily visits to the sanctuary, we'll collect specimens, perform science experiments, create original drawings, paintings and sculptures. Together, we'll discover the connections between art and science and the plants, animals, and insects that make the sanctuary their home. Then, it's back to NCC for some splash time in the swimming pool!

Member: \$175 per child/per week
Non-Member: \$195 per child/per week

ages 5-10 **June 23 - 27 | 9am-12pm**
July 14 - 18 | 9am-12pm

"The Joy of Disney" offers students selection of best loved Disney movies while combining movies with art and arts and crafts. Students will explore their creativity painting with watercolors, acrylics and pastels. Kids will create beautiful paintings around various movie themes daily. Weather permitting, we'll take outdoor walks and learn about photography. Student art show on the last day (optional for students who want to participate).

Nature Art Camp

Ages 5-11 | August 18 - 22 | 9 am - 1 pm

Children will use art as a medium to creativity by using items found within the local ecosystem. They will have opportunities to create from their imaginations as well as participate in organized art projects such as weaving natural materials into crowns, creating magic wands, journey sticks, picture frames, puppets, jewelry, building miniature village homes and farms, creating natural dyes, nature collages, shadow drawings, leaf/bark rubbings and many stick creations. Some art projects may be taken home and for those creations that must remain part of the forest, we will provide photographs of the work the children create.

Woodlands Explorers Camp

Ages 5-11 | August 25 - 29 | 9 am - 1 pm

Through games, art projects and storytelling, children learn about soil, water, vegetation, fungi, mini beasts, woodland creatures, and even micro organisms! Through observations of the area, we will discuss why wetlands are often referred to as "Nature's Sponges" and why trees are so important to our ecosystem.

Member \$155 per child/per week

Non-Member: \$165 per child/per week

These are full outdoor camps- please dress appropriately and bring sunscreen

Race4Chase

ages 6-12

June 23-August 1 | 9am-12:30pm
Monday-Friday

Race4Chase Kid's Triathlon Program is aimed to provide children with a safe, healthy, non-competitive environment to discover the sport of triathlon. Designed as a six-week goal oriented summer program, the program provides kids with expert instruction in swimming, cycling, running, strength training and flexibility, and also teaches them the fundamentals of good nutrition under the supportive guidance of coaches, lifeguards and instructors. At the culmination of the training camp, all of the youth athletes come together to compete in a USAT-sanctioned triathlon race.

Application due no later than April 1st. Limited enrollment – applications will be evaluated and selected based on first time registration, a demonstration of need, and those indicating a sincere desire to participate for the complete duration of the program. As part of the program, we ask each participant to collect \$200 in sponsorships. First Come First Serve.

For more information visit our [website](#) and the race for chase tab!
