## SUMMER CAMP SCHOLARSHIP/FINANCIAL ASSISTANCE APPLICATION FORM 2026

**DEADLINE FOR SUBMITTING APPLICATION: April 1st, 2026**

*This form is to request assistance for the following summer camp programs at the Newtown Community Center*

### IMPORTANT INFORMATION:

Completing this form does not register your child for camp. You must register your child after your award and submit a deposit for each session to reserve a space.

### Important note regarding the process:

Because scholarships are awarded after day camp registration begins, we reserve some spaces in camp for scholarship campers. If a child is registered for Day Camp before being awarded a scholarship, no scholarship and or credit will be offered. The reserved spaces for scholarship campers will fill up quickly, and scholarship dollars are awarded on a first-come, first-served basis.

### How much will the scholarship cover?

Depending on provided income documentation and household situations, families may be awarded anywhere from a 10% to 75% discount for camp programs. In order to make sure our funding can reach as many families as possible, we may limit the number of weeks a family can apply for with applicable funding. Scholarships can be provided for multiple children, please make sure all the children in your household looking to attend summer camp are listed on your application.

### GENERAL INFORMATION:

**Scholarship Applications are due by April 1st, 2026**

**Summer Camp Payment is due upon the first week of camp, unless other arrangements have been made**

Scholarships are available to assist families with limited financial resources who desire to send their children to the Newtown Community Center (NCC). Since the funding is limited, awards will be made on the basis of the relative needs of the applicant. Please note: families that have received assistance in the past or that are currently receiving assistance for another NCC program must reapply for summer camp funding each year. Once you have received your Scholarship Award letter, you may then

### INSTRUCTIONS:
